## WHAT IS THE PTSA?

The SCS PTSA is a group of parents, students, friends, and faculty committed to building a strong school community, school spirit, and the best educational environment for all the students of Sycamore Canyon School. We are a non-profit and 100% volunteer-run.

All dollars are used to fund key educational enrichment programs, teacher/staff support, special events, and school improvement.

## HOW ARE FUNDS SPENT?

We strategically steward funds to make a meaningful impact at Sycamore Canyon School. Last year, more than 65% of funds raised were allocated to educational enrichment. You can view our 2023 Annual Report online for more information.

## WEEK OF GIVING IS COMING SOON!

To start our funding on the right note for the school year, we kindly encourage families to consider giving "\$1 a day for the PTSA" which is \$180 per student. This is the approximate cost per student to cover the basic educational enrichment and staff support that the PTSA provides. Additional fundraisers throughout the year cover all of the extra fun items!

### GIVE TO THE PTSA

Our ability to run our many programs is highly dependent on the funds we raise. There are several ways to give throughout the year. All donations are tax deductible. Tax information is included online at [scsptsa.org/give](https://scsptsa.org/give).

#### **Week of Giving (September 2023)**

Our biggest direct donation fundraiser gets us started on the right note to fund our planned programming.

For your student, this includes enrichment such as Art, P.E., STEAM, the Garden, and Edible Lab as well as many other enriching experiences throughout the year.

#### **Annual Fun Run (Jan/Feb 2024)**

This is the one time per year that students get the opportunity to raise funds for their school from family, friends, and other supporters!

#### **Corporate Matching**

Many employers will match donations made to charitable organizations throughout the year. Use the charity navigator tool on the website to find out whether your organization will match your donations.

#### **Restaurant Nights**

Watch the calendar for local restaurant nights. By dining in or taking out on a specific date, a portion of proceeds is given back to Sycamore Canyon School.
